

SORN SOMAVATEY

College Student

Profile

As a sophomore majoring in digital infrastructure with a passion for cloud computing, I am eager to begin my career in the IT field, gaining valuable experience that will pave the way toward my ultimate goal of becoming a cloud analyst. Beyond academics, I celebrate my cultural heritage through Khmer traditional dancing, a meaningful hobby that fosters creativity and discipline. I am excited to contribute my skills and dedication to roles that align with my aspirations in the dynamic world of technology.
